

BEST PRACTICE – II

TITLE OF THE PRACTICE:

Fee Concessions to some Socially and Economically Deprived Students

OBJECTIVES OF THE PRACTICE:

1. To enable equal opportunities for education by implementing targeted fee concessions for economically backward students.
2. To support the higher educational aspirations and to enhance the socio-economic well-being of single-parent students through fee concessions.
3. To ensure equitable education access by providing financial relief through fee concessions to students from weaver families.
4. To promote gender equality and support familial financial burden by offering fee concessions to families with two or more girl children.
5. To foster a supportive learning environment by offering fee concessions to government school students who demonstrate dedication and commitment to their studies.
6. To encourage meritorious students from the government schools by providing them with assistance through fees concession
7. To strengthen the reputation of the institution as a supporter of athletic talent and achievement through proactive fee concession initiatives.

THE CONTEXT:

"Education is the most powerful weapon which you can use to change the world."

- Nelson Mandela

M P. Nachimuthu M. Jaganathan Engineering College is established in the rural area. One of the primary motives is to provide greater access to quality education and to bridge the educational gap and offer opportunities to local residents who might otherwise have limited access to higher education. With a visionary approach the institution offers fee concessions for socio-economic development of the country.

PRINCIPAL,
M.P.N.M.J. Engineering College,
Sudhanandhan Kalvi Nagar,
Chennimalai, Erode-638 112

THE PRACTICE:

It aims to extend financial support to students facing social and economic challenges, enabling their access to education by alleviating the burden of full tuition fee. This is achieved through a transparent application process, allowing economically backward and single-parented students to easily apply for fee concessions. Then based on their status certain amount of fees is reduced from their total fees by the management to ease the burden of full tuition fees. Implemented free room accommodation for hostel students. Provided free transport for all students and collected nominal bus fee for faculty members.

EVIDENCE OF SUCCESS:

1. Through fee concession the students were able to concentrate on their studies without any fee burden.
2. The students were able to get placed in many companies.
3. Many students from rural areas were able to pursue their higher studies.

PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED:

1. Physically verifying students for fee concession norms is a substantial time-consuming endeavor. It requires meticulous checks and documentation to ensure accuracy.
2. Verifying students eligibility for fee concessions is a time-intensive process that cannot be rushed.
3. It is planned to streamline this process through digital means in the upcoming years as it could greatly alleviate administrative burdens.

NORMS FOR FEE CONCESSION

1. Facilitating financial accessibility, our institution extends fee concession to support **economically deprived students** in their educational journey.
2. Supporting **single-parent students** by easing their financial burden through thoughtful fee concessions.
3. Empowering students from **weaver families** through fee concessions, bridging economic gaps and enabling access to quality education.
4. Promoting gender equality and education by offering fee concessions to **families with two or more girl children**.
5. Enhancing access to education by providing fee concessions for **government school students**, ensuring affordability and promoting widespread learning.
6. Recognizing excellence in education, providing fee concessions to **government school toppers** as a reward for their outstanding achievements.
7. Fee concessions for **sports students** based on their exceptional achievements, recognition, or participation in sports at regional, national, or international levels.

Subject: Approval of Fees Concession

This is to inform that the college management has approved fees concession for the academic year **2022-2023**. This concession is to support our students during these challenging times and to ensure that financial constraints do not hinder their educational pursuits. The management recognizes the various challenges that students face, especially in the current economic climate. In light of this, we have taken the decision to offer concession on tuition fees and mess bill for all eligible students.

Eligibility Criteria:

1. Economically deprived students
2. Single-parent students
3. Students from weaver families
4. Families with two or more girl children
5. Government school students
6. Sports student

Application Procedure:

1. Eligible students must fill out the Fees Concession Request Form available at the college's administrative office.
2. Along with the application form, students are required to submit supporting documents indicating their financial need.
3. The completed application form along with the supporting documents should be submitted to the college's administrative office within the due date.

The college management believes that education is a fundamental right and is committed to provide a supportive environment that fosters learning and growth. This fees concession will alleviate some of the financial burdens. In this regard it is asked to inform all eligible students to take advantage of this opportunity.
