Thiru. J. SUDHANANDHEN B.Sc.,
Founder

MESSAGE FROM THE CORRESPONDENT

"Bharat Vidya Shiromani"

Dr. VASANTHA SUDHANANDHEN M.A., B.Ed.
Correspondent

I am excited about the release of our college's News Letter "TABLOID".

Our College's objective is to equip students with technical skills what they need to succeed in their life. It transforms the students into responsible Engineers with positive attitude and values.

It aims to help the students develop the virtues of hard work, discipline and ethical practices. Our Professors are highly qualified and they help the students to become open to creative ideas and contribute to the development of organization and our nation.

In the modern technological world, technical skills become vital for our institution to enrich the academic & non-academic excellence of the students.

I hope this newsletter carries the commendable glories and achievements of our faculty members and students which is a real showcase of the talents and skills exhibited by them. I congratulate them for their contribution and effort in bringing out this newsletter "TABLOID" successfully.
