The specific deficiencies for not granting the other proposed increase/ variation in intake/ additional courses to the institution are mentioned below:

1. **Senior faculty with qualification as per AICTE norms at the level of Profs. & Asstt. Profs. is not available.**

The additional intake is being granted based on the projections shown in the Detailed Project Report regarding additional built up space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built area and faculty should be made available before the commencement of the next academic session. Random surprise inspection would be carried out to verify facilities and if the institute is found deficient in fulfillment of Norms & Standards of AICTE, appropriate action would be initiated by the Council.

Please note that all other terms & conditions of the earlier letter referred above will remain unchanged.

Yours faithfully,

(Prof. Harish C. Rai)  
Adviser- UG/PG (E&T)
