9. Organizational Chart

10. STUDENT FEEDBACK MECHANISM ON INSTITUTIONAL GOVERNANCE/ FACULTY PERFORMANCE

The students are accommodated 60 in a class and one faculty is appointed as a faculty advisor to monitor and look after their academic performance, attendance and activities related to their career development. One faculty per 15 students is appointed as a mentor to look into their grievances, family problems, and personal problems and so on. Each class has a class committee comprising of the faculty members and the students' representatives. The class committee meets and discusses the academic related issues in the end of every month.

The performance of the faculty is regularly assessed through students' feedback and self appraisal. Necessary corrective measures will be taken to improve teaching learning process. The faculty members will encourage and counsel the students after class hours by internal meetings, discussions and provide guidance to the students to improve their academic performance.
